Banner Stands

Draw attention to your indoor space

Our Adjustable Backdrop can be used as an information station for customers or employees on proper hygiene. If you have employees working from home with a less than optimal setting, backdrops can be used to improve the video call background.

Clik-Clik Hanging Solution

Magnetic Hanging Solution for Ceiling Signage

Clik-Clik™ is a fast and easy way to hang indoor signage. Using the Clik-Clik™ magnets you can easily hang fabric banners from your ceiling without the expense or safety concerns of a scissor lift or ladder. Hanging banners has never been easier or safer.

We Salute Flags

Show Your Support and Donate

Giant flagpoles make great landmarks and even better wayfinding tools. Flags Unlimited sells both aluminum and fiberglass flagpoles starting at 25' and going up to 100' (yes, that's one hundred feet).

These poles would be a great way to attract attention to your store location and of course proudly fly your flag or show your support with our "We Salute" Flag.

\$25 of your purchase of a "We Salute" flag will be donated to CanadaHelps.org to help support relief efforts.
