

Roll Up Banner Stand

Advertising - Trade Shows - Outdoor/Indoor Events

The Roll Up Banner Stand is a classic advertising tool for anyone. Just roll it out of the base and insert the bar to keep it up. Set up doesn't get much easier than that! The banner rolls back into the base so you don't need to worry about storing the banner separately. Our Roll Up is printed on polyester fabric which means the banner doesn't crease, or warp on the edges. It looks great every time you use it.
