Clik Clik Banners

Fabric banners are lightweight and luxurious offering that high-end look and feel. Now they can be professionally hung with Clik-Clik. Clik-Clik is the fast and easy way to hang indoor signage. No matter the height of your ceiling, hanging banners has never been easier or safer. Using the Clik-Clik magnets, you can easily add signage and décor to your ceiling without needing a ladder.

Safe and Simple Magnetic Hanging System

HARDWARE SPECIFICATIONS

Loop Line and ClikMagnets work together to hang your banner. The extendable MagPolle does the lifting so you don't have to.

Features

Easiest, fastest, and one of the safest way to hang indoor signage.

Warranty

Clik-Clik product is guaranteed against manufacturer defect under recommended and normal use and care.
